

Preprocessing

```
graph LR; A[Preprocessing] --> B[Training]; B <--> C[Testing]; subgraph "Online Supervised Learning"; B; C; end
```

The diagram illustrates the Online Supervised Learning process. It begins with a yellow rounded rectangle labeled 'Preprocessing'. An arrow points from this box to a white rounded rectangle labeled 'Training'. The 'Training' box is part of a larger gray container labeled 'Online Supervised Learning' at the top. Inside this container, a double-headed arrow connects the 'Training' box to another white rounded rectangle labeled 'Testing'.
